Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English. Brand new Book. Attention all Amazon FBA sellers. Got groceries? If not, you're missing out on a highly profitable and lucrative niche. Maybe you've only just heard about the opportunity or perhaps you're in the assessment phase to see if this is the right move for your business, either way you've come to the right place. This #1 Bestselling guide was written for entrepreneurs seeking the best ways to research, market and sell grocery products on Amazon. Within these pages you learn all the ins and outs; from becoming a trusted seller to choosing the highest revenue-producing grocery and gourmet food items. This book is ideal for those who already sell products on Amazon and those taking the first step towards becoming an FBA seller. It shares the fundamentals, reveals pros and cons, and explains Amazon's rules and regulations pertaining to the seller approval process-a strict quality control requirement by the company. Perhaps you are wondering if Amazon Prime is the wisest choice or maybe you're more concerned with category placement. It's all here. Amazon FBA: Selling Groceries as a Profitable Niche ensures you make an informed decision by giving you exclusive data in a simple, easy-to-understand format. What you will also learn: - Why you need to start selling grocery products on Amazon right now - How to make Amazon FBA work for you - The Power of Amazon Prime to leverage sales - The Top 20 money making Grocery Categories - BONUS: Tips for New Sellers - And more Getting orders and making a profit from your Amazon business requires more than just an online presence and a bag full of grocery items, insider's knowledge is paramount to your success. Consider this manual your personal mentor...
